Questions and Answers:

1.) Question- 100-1.01, last paragraph, references section 640-1.01. Can not find this section in the RFP.

Answer- Section 640 has been omitted from this RFP see Section 110 2.2 Contractor Employee Government Access Requirements

2.) 100-1.01. In regards to the SOW, are there any restrictions on motorized access in the TFTA during times when the ground is not frozen?

Answer- No

3.) Are there restrictions on access outside the boundaries of the impact areas prior to the UXO survey being completed?

Answer- See Section 110 2.2 Contractor Employee Government Access Requirements

4.) Are there restrictions on access immediately inside the boundaries of the impact areas prior to the UXO survey being completed?

Answer- Access inside of the impact areas is strictly prohibited at all times.

5.) Is ground/soil disturbance allowed? If so, does the ground need to be reclaimed back to original contours?

Answer- Ground disturbance greater than 6" is not allowed with the exception of installing the signage. Reclamation is covered in Section 107-1.11
