

RFQ - L22AC00472 - 2

**Nome Creek Riffle Rock in Support of Stream Reclamation
below the US Creek Bridge.**

Addendum #1

September 7th, 2023

SALCHA-DELTA SOIL AND WATER CONSERVATION DISTRICT

P.O. Box 547
DELTA JUNCTION, AK 99737
(907) 895-6279
FAX: (907) 895-6278

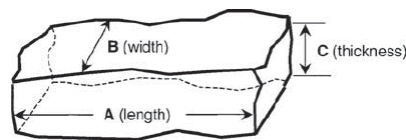

Updates to Original Request for Quote: None

The following questions were received:

Question: Please define "intermediate axis" as it applies to medium boulders.

Answer: Intermediate axis is the middle of the three measurements on the rock.

(Example: A 3'x2'x1.5' rock has an intermediate axis of 2')

Question: Is it the option of the bidder to furnish a quote for the medium boulders or will the quote be considered non-responsive if there is no price for the medium boulders?

Answer: It is not necessary to furnish a quote for the medium boulders. Only the portions pertaining to Riffle Rock are required.

Question: Will the rock hauled earlier to Nome Creek from the quarry at approx. 68 mile on the Steese Highway meet your needs for riffle rock?

Answer: For this RFQ the material must meet the specifications described in the RFQ and repeated below:

Riffle Rock Material Specifications:
50 – 60 % weighing 200 pounds or more
15 % weighing up to 25 pounds
25 % weighing 25 – 200 pounds
10 % weighing more than 400 pounds
All evenly graded angular stones.
